EREY- Glenn Bedell
Paul Harris Fellows- Rich Laschober

The Four-Way-Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity of service;

Second: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and dignifying by each Rotarian of this occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to his personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

Ticket Raffle

Gloria Jennings won the raffle drawing but did not draw the ace of spades. The pot is at \$514 and will roll over to next week's meeting.

District Raffle

Four exciting trips will be awarded to four lucky winners at the 6920 District Conference at Jekyll Island, April 23-25, 2010! How would you like to have a chance to win a trip to Hawaii, Bermuda, San Francisco or Santa Fe? All trips are for eight

days and include airfare, hotel, taxes and transfers. The cost is only \$25 per Ticket or 5 for \$100. The net proceeds of these sales will be donated to qualified Rotary charities to create Paul Harris Fellow and/or Will Watt Fellow Awards.

District Governor

District Governor Clyde Taylor will make his official visit to our club on August 6.

A native of Brunswick, Georgia, Clyde was educated in Glynn County Public Schools and graduated from Glynn Academy. He followed in his Dad's footsteps and attended Georgia Tech where he received a BS in Electrical Engineering and an MS in Industrial Management. While at

Georgia Tech, he was a member of the Alpha Tau Omega fraternity and served as a Graduate Instructor in Economics. He met his future wife, Sue Wells, who was a student at Emory University. Clyde was a Distinguished Military Graduate of Georgia Tech and served in the US Army with the rank of Captain.

Following graduation, Clyde embarked on a corporate career which involved living in diverse places such as Milwaukee, Saint Louis, Pittsburgh, Le Roy, NY and Birmingham, AL. In Birmingham, Clyde was invited to join the Rotary Club of Alabaster, AL, where he was a member for eight years serving on the Board of Directors. His working career in Birmingham involved the ownership and presidency of an electrical products manufacturer with world wide distribution. While in Birmingham, Clyde was active in Junior Achievement serving as President of the Greater Birmingham organization.

In 1988 Clyde and Sue moved to Atlanta and started Eastern Manufacturing Corp., a producer of custom plastic parts. He retains part ownership of this business which is being operated by his son-in-law. In Atlanta, Clyde continued his Rotary involvement as a member of the Rotary Club of Sandy Springs. During his Sandy Springs Rotary membership, Clyde became a Paul Harris Fellow and through the influence of Frank Bentley an avid GRSP supporter.

Clyde and Sue retired to St. Simons Island in late 1999 and Clyde was invited to become a member of the Rotary Club of St. Simons Island. He was elected to the Board of Directors in 2001. In 2003-04 he served as President of St. Simons Rotary.

Clyde and Sue are both multiple Paul Harris Fellows and Paul Harris Sustaining members. Clyde is also a Will Watt Fellow. They have served as Host Family for GRSP and Group Study Exchange participants. Clyde's District 6920 activities involve serving as Assistant Governor 2005-07 and GRSP Trustee 2004-07.

Clyde and Sue have been married for 49 years. They have three grown children and three grandchildren. Aside from Rotary activities, they are both involved in community and church and are members of Golden Isles Presbyterian Church. They are avid readers and Clyde is a dedicated saltwater fisherman. They enjoy spending time at their home on Seed Lake in Rabun County.

District Seminar

The District Seminar will focus on the Rotary Foundation, Membership and Literacy. Plans have been set for the District Seminar to be held on Saturday, August 15, 2009, in Vidalia, GA, at the Southeastern Technical College, 3001 E 1st Street, Vidalia. This will be an opportunity for club leaders and club members to meet jointly and learn specific tools and programs from the talented presenters which will help us achieve great success for the Rotary year of 2009 - 2010.

The District Seminar begins at 9:30 a.m. with a break for lunch at 12:00 noon. We will convene at 1:00 p.m. to complete the seminar by 3:00 p.m.

We will carpool and all board members, committee chairs, and club members – especially new members are encouraged to attend.

Rotary International

DID YOU KNOW?

Dollars and good financial sense are why the Rotary year starts July 1 – at least that's what the RI auditors said, according to 1912-13 RI President Glenn C. Mead's report in the September 1913 issue of The Rotarian.

The auditors found that the organization's affairs had been managed "honestly and carefully." Still, RI was growing and had recently become an international organization, and its needs were changing.

The secretary and treasurer needed more time to prepare, audit, and check the organization's financial statements by the end of the calendar year. The auditors recommended that the organization close its financial books for the year on 30 June, which was after the RI Convention. The Board of Directors agreed, and ever since, the Rotary year has begun on July 1.
