The Four-Way-Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity of service;

Second: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and dignifying by each Rotarian of this occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to his personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

Ticket Raffle

Bill Caput won the raffle drawing but did not draw the ace of spades. The pot is at \$847 and will roll over to next week's meeting.

Santa Wheels

Augusta West is looking for 5 – 10 volunteers on Saturday, November 21st to clean bikes and replace parts that will be given to kids at the bicycle rodeo in December. This is good for people who like “hands on” projects. **No experience is required.** For more information, contact David Cantrell or David Bullington.

Vocational Service Award

Augusta West will present a Vocational Service Award in October. Nominees are requested by the committee.

This award recognizes a local small business owner (50 employees or less) who has a history of philanthropy, community service and high ethical standards in the metro Augusta area. Rotarian business owners and their spouses are eligible for the award. Last year's winner was Fred Daitch of Uniform Supply Co.

Those who would like to nominate a business should contact Damon Cline or Frank Barbee by September 24th. The award ceremony will be at the October 22nd meeting.

Literacy

Augusta West has partnered again this year with A. Brian Elementary School to promote Rotary's literacy initiative.

How do you get involved?

- It requires just one hour of your time each week.
- No pre-planning is required: Teachers send assignments, books and games
- You are helping to improve literacy scores and build confidence.
- Do it for the kids; they look forward to seeing you again the next week.

Training will be held on Thursday, September 24 after our regular Rotary meeting. It will only take about 15 minutes of your time.
