Paul Harris Fellows- Rich Laschober

The Four-Way-Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity of service;

Second: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and dignifying by each Rotarian of this occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to his personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

Football Follies

Week 10

Winner: Gil Strader 1st, David Thorsson 2nd

Sunshine

Birthday: Mac Shealy- 11/16

Announcements

Santa Wheels:

Our club will participate in the Santa Wheels Project. On Saturday, November 21, volunteers are needed to help repair bicycles. NO EXPERIENCE REQUIRED! It will only require 1 ½ hours of your time. The refurbished bicycles will be distributed to needy children in the area. Contact David for more information.

Rotary Leadership Institute

District 6920 will once again be offering the Rotary Leadership Institute (RLI) courses. The next one will be in Savannah at the Savannah Tech Airport Campus, on Saturday, 21 November 2009. Parts 1, 2, and 3 will be offered.

RLI is a multi-district, grassroots leadership development program. The one-day courses are excellent opportunities for ALL Rotarians to discover more about Rotary. It does not matter if you have been a Rotarian for 1 day or 20 years. Please go to: www.rlitraining.org to register.

Announcements

St. John Towers Holiday Program:

Augusta West will hold the annual St. John Towers Holiday Program on Thursday, December 3. Club members are asked to bring at least three gifts. An email will be sent soon on gift suggestions. Please make plan to attend! If you cannot attend, please consider giving your gifts to another Rotarian to take with them. We want to make sure we have enough gifts for all residents. For some, this will be the only gift they will receive.

Meeting Schedule:

We will only meet once at our regular meeting place for the month of December which will be on the 10th. On December 3, we will meet at St. John Towers. On December 17 we will not meet, due to our Holiday Party. December 24 and 31 meetings have been cancelled.

Holiday Party

Please Save the Date
Thursday, December 17
Holiday Party
to be held at Fort Gordon
invitation to follow

December 17: *No meeting (Holiday party)*
December 24: *No meeting*
December 31: *No meeting*

Rotary International

Give me \$10-\$20," Terry Youlton says, "and we can save a family."
Youlton, 73, is directing the delivery of 110,000 mosquito nets to boarding schools across Tanzania. "There are over 16 million cases of malaria a year in Tanzania," he observes. "And 100,000 people die. Most susceptible are pregnant women and small children."
Youlton's club, the Rotary Club of Ridgetown, Ont., Canada, and the Rotary Club of Moshi, Tanzania, with 18 Canadian districts, secured a Matching Grant from the Foundation and another grant from the Canadian government.

The Rotarians purchased the nets through the Against Malaria Foundation, which guarantees that they're distributed where promised. On the group's Web site, donors can track the nets through photos and videos. "This was the kind of proof I wanted for Rotary," Youlton says.

The Against Malaria Foundation provides long-lasting insecticidal nets. The mosquitoes are drawn by the odor of the sleeping person and killed on contact with the nets. Even with holes, a treated net remains 90 to 95 percent effective for about five years. The insecticide also is safe for all: A mosquito is a million times smaller than an infant.

Population Services International, a global health nonprofit based in Washington, D.C., will install the nets. "It's a hot and dirty job," Youlton says. "I know, because I've been there and done that. You're climbing around on the top of double and triple bunks. They're doing it all for free."

Note:

At this time club member Mike Felz is in Papua New Guinea exploring remote areas that are in need of the nets. He is doing a lot of leg work to get this project supported by Rotary International. Please keep Mike in your thoughts and prayers as he continues this journey.

Last Week's Program

Thank you to Glenn Bedell for last week's program on the Rotary Foundation. He did an excellent job!

November Theme is...
Rotary Foundation Month
