The Four-Way-Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity of service;

Second: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and dignifying by each Rotarian of this occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to his personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

Rotary International

Representatives at the 2010 Council on Legislation approved an enactment April 28, 2010 to add a fifth Avenue of Service: New Generations.

After adopting an amendment to change the name from Youth Service, as originally proposed, to New Generations, the Council narrowly supported the addition to article 5 of the Standard Rotary Club Constitution. The 263-250 vote was received by surprised gasps and applause after a short debate.

New Generations joins Club Service, Vocational Service, Community Service, and International Service as the foundation of club activity. "It's a significant change – a historic day in Rotary," said Council Chair Mark Daniel Maloney. "Rotarians have always strongly supported youth activities even though they were never part of the four Avenues of Service. I think this strengthens our commitment."

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding. Representative Ronald P. Sekkel, of District 5170 proposed the enactment by saying that New Generations is the future of Rotary.

Opponents argued that youth services are already covered by the four Avenues of Service. One representative said that adding a fifth avenue could decrease emphasis on the other four avenues. Representative Emile M. Rijcken, of District 1900 said the new avenue is well deserved. "The volume of activity in youth programs shows how strong Rotary can be," she said. "The addition of New Generations to the Avenues of Service will contribute in an enormous way toward public opinion."
